

## Earth Day April 22, 2020

In celebration of Earth Day this year the recreation department would like to host a contest. We are asking each family to build a birdhouse with only materials you have around the house. Once you have your birdhouse made, please post a picture with a list of materials that you used on the South Bound Brook Recreation Facebook Page. Submissions are due April 20 and the winners will be announced on Earth Day (4/22).

Other things you can do:

- Plant a tree
- Start a garden
- Clean the curbs in front of your house.
- Create a compost pile
- Fill your home with houseplants
- Construct and install a rain barrel

Let' have some fun and be creative!!!!
