MEMO TO: RESIDENTS OF THE BOROUGH OF SOUTH BOUND BROOK

FROM: ROBERT J. RUSSO, PE, PP, CME
SOUTH BOUND BROOK BOROUGH ENGINEER

RE: NASSAU STREET IMPROVEMENTS
NEW JERSEY DEPARTMENT OF TRANSPORTATION
FY 2018 MUNICIPAL AID PROGRAM
SOUTH BOUND BROOK, NEW JERSEY
OUR FILE: PSB00601.01

Please be advised that on or about Tuesday, December 17, 2019, weather permitting, roadway milling and repaving work will commence on Nassau Street, from Van Sickle Boulevard and Madison Street, as part of the above referenced project. The work will include asphalt milling and/or pavement repairs and installation of a new asphalt surface course.

Our office will have a representative on-site during construction to monitor the work of the Contractor, Discover Construction, LLC (732-305-7156). We will attempt to coordinate any work to be done in your area in order to minimize possible inconveniences.

In order to facilitate the work, we respectfully request that when possible no cars be parked on the street while the work is being performed. The Contractor will attempt to maintain at least one (1) lane of traffic during the day and two (2) lanes at night. However, at certain times the road may have to be closed to traffic except to those residents who live within the project limits. During this period, detours will be posted. It is expected that no work will be done on weekends or major holidays unless absolutely necessary.

On behalf of the Mayor and Borough Council, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during construction.

Should you have any questions regarding this matter, please do not hesitate to contact this office at 732-727-8000.
