

Come take part in the cannabis conversation!

June 10, 2021 at 6pm
Robert Morris School
Madison Street Entrance

Join us for a presentation and town hall meeting regarding the recent legalization and future of Marijuana, and how it relates to the Borough and residents of South Bound Brook.

We encourage a positive and productive discourse with a panel of experts from the Cannabis Advisory Group. Topics of discussion will include, but are not limited to: education and awareness, policy, regulation, fair and equitable markets, and of course your feedback.

Please visit www.cannabisadvisorygroup.org for additional cannabis information.
